

sjarcadeentertainmentcenter.com publishes social games for the web and mobile devices. We are committed to protecting the privacy of our users and providing them with a better social gaming experience.

**PLEASE NOTE THAT OUR GAMES ARE INTENDED FOR ENTERTAINMENT PURPOSES ONLY. THE GAMES DO NOT OFFER ANY REAL PRIZES OF MONETARY VALUE.**

This privacy policy aims to inform users of our games about their privacy protection with us, the type of information collected from our clients, and our policies and practices regarding the collection, storage, use, and disclosure of that information through our games.

Please read the following carefully because by giving us your personal information, you acknowledge that you understand and agree to the terms of this Privacy Policy and consent to how we may collect, store, use, and disclose the information you provide. If you do not agree to the terms and conditions of our privacy policy, please refrain from giving us any of your personal information or playing our games, and reach out to our customer services agent for any queries before providing us with your personal information.

sjarcadeentertainmentcenter.com reserves the discretion to amend this policy as deemed necessary by the organization. We recommend you review this policy from time to time to make sure that you are aware of the changes in our Privacy Policy.

## **General Information We Collect**

The information we collect includes the information you voluntarily give us, such as an Email address, name, credit reports, date of birth, etc. We do not sell or provide this information to anyone. That information is only the property of our company and used only for the purpose you gave it for. When you play our games, some information is collected automatically. This includes usage of information such as browser type, operating system, download time, number of users who downloaded our game, etc. This information does not identify you personally, and if by any means it does, we will treat it as personal information and will keep it safe.

In usage Information, we also collect your IP address, MAC Address, or another unique identifier for the mobile device, Wi-Fi card, or other technology devices that you use to access our games. This helps us identify your repeat visits.

# How We Use Your Information

The primary reason for sjarcadeentertainmentcenter.com 's data collection is to improve the quality of the user experience. Your information is used for the purpose of your identification and for us to be able to contact you when needed. The information you provide can also be used for your in-app purchases, which are processed by a third party. sjarcadeentertainmentcenter.com can use your information to send details about promotional offers, game updates, etc. sjarcadeentertainmentcenter.com uses your information to create your gaming account with us and optimize your fun level. All this is used for your benefit. We use your information to help us better understand your behavior and the likes and dislikes of our users. Your information helps us customize our services for you. We may also send promotional emails to you at the email address you provide. sjarcadeentertainmentcenter.com is striving for excellence, and by collecting all this information, we want to provide our users with a fraud-free gaming experience. Your information can also be used for you to connect with other players and resolve any problems you face while playing our games. We may ask you to give us feedback on your gaming experience, and it may be made public for our potential users to know more about our games before installing our games. Our friend-finding tools may require some information, such as your name and profile picture, to locate your friends and connect with them. All your information is collected, stored, and used with bona fide intentions by sjarcadeentertainmentcenter.com for you to get a positive gaming experience.

## Personal Information

Here is a list of information sjarcadeentertainmentcenter.com collects from its users from time to time on different platforms for various purposes.

1. Name
2. Date of Birth
3. Email address
4. Profile picture
5. Country
6. Interests or favorite games

sjarcadeentertainmentcenter.com may combine any of the above types of information so that you can have more fun while playing your favorite games. sjarcadeentertainmentcenter.com does not store your financial information, which you give to make in-app purchases.

## Third-Party Advertising

We may feature advertising within the games and employ third-party ad-serving technologies to collect information about you and your user experience. Advertising shown to users may be based on your user profile to provide personalized advertisements that may be of interest to you, and advertising in the game may come from affiliate advertising networks. The data collected may include IP address, device ID, MAC address, installed software, application usage data, hardware type, operating system information, browser information, browser cookies, flash cookies, and in-game information.

## Data Security

Without your consent or authorization, we do not sell or give your information to anyone.

We only disclose your information in good faith, such as when required by law to fulfill court orders or apply our policies.

## Your Privacy Rights

You can access your information anytime. You can know what information about you is with us by contacting us. We give you the privacy right to see the data which we have about you, change the data we have, or delete it. You can let us know about your specific privacy concerns, and we will do our best to respect your concerns.
